

Mini-Cabin Booking & Pricing Information

All mini cabins are EXCLUSIVE to clients & their guests for the duration of their contracted rental time. We do not rent the mini cabins outside of contracted times for any reason. Clients are not wholly responsible for paying for the stay in the mini cabins, the responsibility of payment falls onto the guest(s) staying in each cabin unless otherwise communicated directly from the client(s) themselves. Cabins 1-3 are NOT included in any packages that we offer at the venue. All guests staying in the cabins must be approved of by the clients directly. Our venue manager is NOT responsible for settling any friend or family disputes over who stays in which cabin. If a client or guest of the client wishes to rent a cabin, they must provide a minimum of 30 days' notice prior to your contracted rental time. Always check availability.

In the event that a guest chooses to stay in a cabin within the allotted rental time, or after checking in, a \$50 service fee will be required at the time of payment. All prices are final, and we do not require taxes or a cleaning fee for the cabins.
